Stonewater, in partnership with Tilia Homes, presents **eight new homes for shared ownership** in the central Bedfordshire town of Potton. Four three-bedroom properties and four two-bedroom homes are available, each of which is fitted with an air source heat pump and PV panels which may help to reduce utility bills. The homes are also fitted with a combination of carpets and vinyl flooring. Provision has been made for allotments on the site as well as a strip of protected grassland (a rich habitat for wildlife) that runs the length of the development.

Nestled in the heart of rural Bedfordshire, Potton is located approximately 10 miles east of Bedford. The historic Georgian Market Square serves as the town’s central hub, surrounded by excellent amenities including a variety of shops, supermarkets, a GP surgery, dentists, banks, and a range of restaurants. Potton Primary school, rated ‘Good’ by OFSTED, provides a nurturing environment for children from reception through to year six; The Bedford College Group is ideal for those looking for opportunities in higher education.

Potton is a friendly town with a strong artistic community. There are many theatre groups and choirs, sports clubs, community groups and social organisations for all ages. The town offers beautiful green spaces and for dog lovers Barky Park provides four acres of private land for furry friends to roam freely.

The town benefits from close transport links to the A1 and two mainline railway services providing direct trains to London St Pancras (in 45 - 50 minutes) and to stations in the North. These stations are located around four miles from the site in the neighbouring towns of Sandy and Biggleswade. Cambridge and Bedford are approximately half an hour drive from the town.
